Kelly,

Today I'm trying something new.

I want to open up my calendar to help coach business owners who want to become millionaires.

There is a KNOWING when you're supposed to be a millionaire.

It's not a dream; it's a knowing. If you have that knowing, then I and my entire coaching team are going to experiment and see if you can follow the coaching to succeed.

It starts here:

—>[Use this link and book a call.](#)

We all have a specific script we are going to take you through, and let's see what happens.

Perhaps you are just missing the HOW to get there, or perhaps you are missing some clarity! Let's see . . .

Use the link above to book a coaching call now.

With Love,
Shanda

P.S. I am leaving for Nashville later today, so book your call now!

Good Morning. It's Shanda from HeartCore. I woke up this morning with a thought to give more. Do you have a knowing that you are supposed to be a millionaire? I know that sounds strange but that was the thought - to help those people today! If that's you, call (701) 367-2024... and we are going to coach you on your business idea today!
